

QUICK GUIDE

PLX2

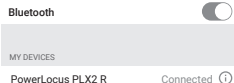

Check the warranty card which you received with the package and register your 24 month warranty at www.powerlocus.com/en/register.

For questions or problems use
info@powerlocus.com

I. PAIRING THE EARBUDS

1. Take both earbuds out of the case. They will turn on and connect automatically to each other.

2. Open the bluetooth menu of your device and find "PowerLocus PLX2 R".

Warning! If there is no power in the case, the headphones will not power ON automatically and you would have to do it manually by pressing the buttons for 4-5 seconds.

II. CHARGING THE EARBUDS

To charge the earbuds put them in the case.

Battery Indicator Lights

- Charging: Solid red lights
- Charged: Lights off

III. CHARGING THE CASE

To charge the case connect the USB cable (up to 5V).

Battery Indicator Lights

III. TURN OFF THE EARBUDS

Put the earbuds back in the case.

Do not put them back in the case while they are wet!
